The cost for the 9 month April, 2017 Apprenticeship is \$1,800 - \$2,000 (sliding scale) for 22 seven hour classes. A \$100 discount is given to those who pay in full. Payment plans starting at \$140 per class weekend (after initial class deposit) are available.

A \$250 deposit (non-refundable) is required to register for the apprenticeship and is subtracted from the total tuition. Grants are available for Vermont students through VSAC. Full payment is due by the first apprenticeship class meeting unless a payment plan has been arranged in advance.

The lowest end of the sliding scale as well as payment plans are only available for our lowest income students. *This is an honor system designed to make the course accessible for all income levels. The lowest end of the sliding scale are reserved for students who cannot afford things like taking vacations.*

We are also proud to offer 3 partial scholarships available each year. If you are interested in applying for a partial scholarship, please contact us by email for more information. We give priority to students from marginalized/oppressed communities.

Our Scholarship program exists thanks to 100% donor participation of Gaia Student graduates & faculty! If you would like to join our community effort to make earth medicine people's medicine, we invite you to donate to our scholarship program. Your donation supports those without the privilege to take courses like this. We thank you!

REFUNDS – READ CAREFULLY

**** Please remember this policy and do not email us with requests to change this tuition policy if you need to drop out of class for any reason after the withdrawal deadline – we must keep the same policy for everyone!*

Refunds for half of the course tuition will only be given if a student withdraws before May 13th (after 2 class weekends, still allowing someone on the waiting list to join). After the withdrawal date May 13th, the full course tuition is due and no refunds are given if a student cannot complete the full course. Those with payment plans must pay the full tuition by the end of the course whether or not the course is completed in full, and will owe half of their tuition if withdrawing before the May 13th withdrawal date.

***** Must initial to complete registration:**

(___) I understand that the full tuition is due by the end of the course, whether or not I am able to attend all the course weekends. I understand that if I withdraw by the withdrawal date in May 13th, only half my tuition will be due, or half will be refunded if I paid in full.

If you are requesting a payment plan. –

(___) I understand that I must have a phone conversation with Sage before a payment plan is approved in order to make sure I understand our tuition policies. All payment plan details must be covered in person before the start of the course.

Please take some time to tell us about yourself! Feel free to use a separate piece of paper.

How did you find out about The Gaia School?

What are your specific interests regarding plants, healing, and spiritual practice?

What are you most looking forward to learning during this course? What are you hoping for?

Please take time to tell Sage about yourself, and any questions you might have about the course.

Because we will be holding healing circles and safe space for each other each class, it's incredibly important that safe and solid space is held in this circle. This means coming with respect, openness, non-judgment, self-responsibility, self-care, and healthy boundaries. Each of us are asked to be conscious of how our energy effects or distracts the circle and each individual from their own deep work. Each person is always free to come to circle with what they are moving through internally, but asked to come with an ability to hold support for the work we're doing together in circle as well.

Deeply looking forward to our journey together!
Love and blessings your way,
Sage
